About the group:

In 2007, we started our journey by selling books online. But now, over a decade later, our story is quite different. Today, Flipkart is India's largest online marketplace and a leading technology powerhouse in India that is disrupting the way the country shops online. What has got us here? The dynamic, passionate and talented folks we call Flipsters!

The Gig: Flipkart Neev SCM Intern

The NEEV SCM Internship Program is designed to groom the young talent hired across selected Engineering schools for supply chain roles at Flipkart. The Program is an amalgamation of capability building through intensive, on the job, impactful assignments to ensure alignment to Flipkart's ways of working.

What this job entails:

This profile is for the Supply Chain arm of Flipkart (which includes roles across different locations in India with BUs like Fulfillment Center (FC), Mother Hubs (MH) & City Logistics, Large, Grocery, Jeeves, Line Haul, and Hyperlocal SCM). **The Internship program will be for 5-6 Months and based on the performance the Interns will be given a Pre Placement Offer for the Assistant Manager Full Time Role at Flipkart Supply Chain.**

Your Responsibilities:

- Supervise & Monitor specific day to day functions end to end
- Manage a team of full time employees and contract workforce
- Work closely with Planning, Finance, HRBP & Facilities teams to ensure Facility requirements are met
- Ensure Key metrics & targets are met sustainability
- Design / Deploy a fungible and cost-effective supply chain network
- Innovate to improve speed/quality/cost using lean methodology
- Develop & report Key Performance Indicators (KPI's), executive updates & perform Root Cause Analysis (RCA's)
- Partner in Process Mapping ,Process Modelling & Network Optimization
- Ensure SOP adherence including aspects of Compliance, Safety

What is in it for Neev Flinterns?

- Deep Exposure to one of the E-Commerce Supply Chain BUs (Fulfillment Center (FC), Mother Hubs (MH) & City Logistics, Large, Grocery,Jeeves, Line Haul, and Hyperlocal SCM)
- Accelerated Learning by solving for Real & Live Problems Statements
- Mentoring under Seasoned E-commerce Supply Chain Professionals
- Opportunity to build & Execute Innovative Solutions
- Build Muscle on Execution Excellence & Agility
- Finally of course, Having a Fulfilling Career at Flipkart !****On PPO Conversion***

Desired Qualifications:

- B.Tech./ B.E Educational Qualification
- Strong Oral & Written communication skills
- Knowledge of Lean / 6 Sigma (Preferred but not mandatory)
- Knowledge on Transport management Systems (Preferred but not mandatory)
- Flexible on work hours (Rotational Shift Timing)
